### Description:

'Free' with its flowers and 'Easy' to grow. It doesn't get any better than that. From early Winter to Spring, Hardenbergias are the focus of many gardens these days, since we woke up to their capacity for looking good just about anywhere. Climber, creeper or ground cover, use it any way you like. Hardenbergia Free 'n Easy is a mass of lavender-tinged white blossom over many weeks, and all it needs is a chop back to the wood in early Summer. Good drainage and full sun will keep it happy for years.
